

Please Support PALY Instrumental Music Boosters!

The Palo Alto High School Instrumental Music Department is 180 students strong and growing. Our talented students make up two full concert bands, an orchestra, two jazz bands and small group ensembles. Each group meets as a class and performs at PALY concerts, community functions and provides a spirited VIKING PEP BAND.

WHO are the Paly Music Boosters?

As a parent of an instrumental music student at PALY, YOU are a member of Music Boosters!

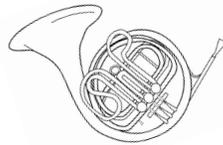

WHAT do the Paly Music Boosters support?

It costs a minimum of \$16,000 per year to buy music, repair equipment, purchase new instruments, attend music festivals and pay for all the other day-to-day items needed to keep the award winning instrumental music department going.

Part of the mission of the Music Boosters is to make up for the portions of these expenses not covered by the PAUSD.

The main mission of the Music Boosters is to support our young musicians and the dedicated teachers who make the music happen. You can do this by attending concerts, Music Boosters meetings, and by making a tax-free donation to the PALY Music Booster organization. Watch for dates and details for the 2017-18 school year!

Booster Meetings are the 1st Thursday of the month, 5:30pm in the Band Room. All welcomed

Please circle the amount of the tax deductible donation you'd like to make to the **Paly Music Boosters** and turn check in with form to the director. Thank you for your support!

Duet: \$25 Sonata \$50 Concerto \$100 Opus \$250 Symphony \$500 Other
