WHY...

Is your freshman taking beginning photography? Does your child write for C-Mag? Maybe you just enjoy reading the many Paly publications that need your support!

The Booster Club provides financial support for **all** Paly Media Arts programs, directly impacting over 550 students. The Club raises funds for ongoing expenses including equipment, exhibitions, field trips, scholarships, contest-entry fees, and much more.*

ACCOLADES...

Every Media Arts publication has been awarded the Crown Award by the prestigious Columbia Scholastic Press Association. During Crown consideration, scholastic publications are judged on their excellence as shown by their design, photography, concept, coverage and writing.
