

PALO ALTO HIGH SCHOOL PERFORMING ARTS CENTER

Be a part of the new Performing Arts Center!!!

Paly's new Performing Arts Center has hosted numerous events and hundreds of students, parents and staff in its first year, including sold out performances of Beauty and the Beast by the Paly theatre department and The Music Man by the Gunn theatre department. This state-of-the-art facility is the home for the three performing arts groups at Paly (drama, vocal music and instrumental music) and the 450 students per year that participate in them. It has also hosted assemblies, parent's meetings, and presentations thus serving the entire Paly community.

As we've made our way through the first full year of operation, we've discovered many unmet needs: lighting accessories, a projection system, box office computers and printers and other equipment, shades for the lobby (the setting sun can be brutal), and an art display system for the lobby. We need your help to continue to fulfill these needs. The Paly Performing Arts Center Boosters (tax ID# 47-5054443) is a joint booster group created to unify the acquisition of equipment that will serve all performing arts students as well as everyone else who uses the facility.

Your donation will help make the Performing Arts Center a higher quality learning experience our students.
