

PALO ALTO HIGH SCHOOL PERFORMING ARTS CENTER

Be a Permanent part of the Performing Arts Center!

In its first two years of operation, Paly's Performing Arts Center has established itself as a focal point of student activity on campus. Officially the home for the three performing arts groups at Paly (drama, vocal music and instrumental music), the PAC also hosts assemblies, parents' meetings, lectures and presentations that serve the entire Paly community.

With such a broad array of uses, the need for additional equipment and furnishings continues to be identified. In the past year, the Performing Arts Boosters has purchased numerous lighting, audio and visual equipment and accessories necessary for our productions. In addition, for the new musical **Venture** written by Michael Najar, Paly Vocal Music Director, Performing Arts Boosters provided a video projection system required for this world premier production. Currently identified needs include a high quality lectern, rolling shades for the lobby (the setting sun can be brutal), and audio and visual equipment to complete the classroom "blackbox" theatre.

We need your help to continue to fulfill these needs. The Paly Performing Arts Boosters (tax ID# 47-5054443) is an umbrella booster group created to coordinate and finance the acquisition of equipment that will serve all 450 performing arts students as well as everyone else who uses the Performing Arts Center.
