

Palo Alto High School Theatre Boosters

Paly Theatre Boosters are parents and community members who support the outstanding Paly Theatre program and provide funds for the many student enrichment opportunities available through the program.

Paly Theatre Program

With a brand new Theatre teacher, Sarah Thermond, taking the reins this year, Paly Theatre will offer an exciting and innovative 2020-21 theatre program open to all Paly students.

Paly Theatre produces 2-3 plays a year, open to all Paly students, as well as our unique play writing festival Play In A Day and One Acts that gives interested students an opportunity to direct.

Theatre classes at Paly include a comprehensive theatre education: four years of classes culminating in a capstone project Theatre 4 Honors class, as well as a separate Stage Tech class that offers a dual enrollment option with Foothills College for Advanced students that many students have used as a stepping stone to a career in professional theater.

Paly Theatre also has a Thespian Club, an Improv Troupe and a Comedy Sportz team.
