

**We help low income Paly students get TO and THROUGH college!
BUT WE NEED YOUR FINANCIAL SUPPORT.**

Donate

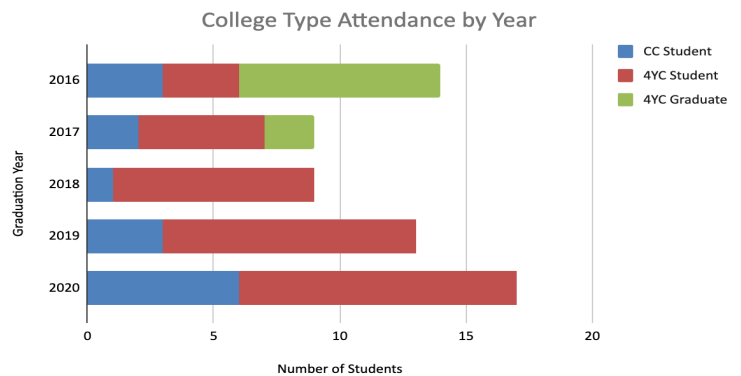

In 2020, at least 10% of Paly students were considered low income (this translates to a family of 4 making less than \$47,638/year) and thus qualified for the free or reduced lunch program. These are the classmates and friends of your children, and they are working hard every single day to try to get to college and break the cycle of poverty.

Launched in 2015, **Paly's Rise Together Education** has awarded need-based scholarships to over 72 Paly graduates from the classes of 2015 through 2021. Our

scholars have overcome significant financial and personal hardships to excel academically. They deeply appreciate your gifts. Learn more about their stories and see our new college grads at www.RiseTogetherEd.org.

As an all volunteer organization, RTE needs your help - come join us! Please consider making a tax-deductible donation or sponsor our work. Your gift of any size is appreciated! You can also make a monthly donation via [PayPal](https://www.paypal.com) and designate RTE as your beneficiary on AmazonSmile.
