

Palo Alto High School Athletics

Paly Athletics (Website: <https://palyathletics.com/>)

Welcome to the 2022-2023 season! We are excited for this season and have created a quick summary with relevant athletics information including: athletic registration, transfers, donation information, ASB cards, and ticketing.

ATHLETICS PARENT/COACHES MEETING on Thursday, August 11, at 7:30pm in the Peery Gym; please mark your calendars!

Athletic Registration

We have partnered with rSchoolToday to handle our athletic registration. The process is simple, and you are able to register for multiple sports in one go. Once you and your student's information is uploaded, our athletics staff will be able to clear your student for any sports that he/she might play. **All student-athletes need to register at the link below and upload a physical (valid for 1 year) before participating in official practices.** [You can visit the registration site here.](#)

Athletic Transfers

If you are transferring to Paly from a different high school, please complete the necessary paperwork. [A-B-A Transfer Form](#) is for students who attended Paly, moved and attended a different school, and are now returning to Paly. [General Transfer Form](#) is for all other transfers. Please return completed form to Assistant Athletic Director, Fatima Giffen (fgiffen@pausd.org), to clear your athlete to play in the upcoming season.

Donations & Fundraising

Every Paly sports team will have a donation portal on our website and campaign for their team. All funds donated will go towards supporting Paly Athletics and individual teams (no revenue sharing), all donations are tax deductible, and donor information is kept confidential. We appreciate your support!

ASB Student Body Cards

When you purchase an ASB card for \$30, you will not only get a discount to dances and other ASB-run events, you will also get free entrance to all regular season athletic events. Purchase your ASB card at the [Paly Webstore](#).

Hometown Ticketing

Paly Athletics has been evolving to a paperless ticketing system. We have partnered with Hometown Ticketing to take care of all our ticketed athletic events (home and regular season games only). [All tickets for home events will be available for purchase online](#). It should be noted that [ticket prices](#) are set by the league (SCVAL) and apply to both home and away events.
